## 2. Scripture Text

### 2 Kings 23:1-3 KJV

*[1] And the king sent, and they gathered unto him all the elders of Judah and of Jerusalem. [2] And the king went up into the house of the LORD, and all the men of Judah and all the inhabitants of Jerusalem with him, and the priests, and the prophets, and all the people, both small and great: and he read in their ears all the words of the book of the covenant which was found in the house of the LORD. [3] And the king stood by a pillar, and made a covenant before the LORD, to walk after the LORD, and to keep his commandments and his testimonies and his statutes with all their heart and all their soul, to perform the words of this covenant that were written in this book. And all the people stood to the covenant.*

## 3. Devotional Reflection

I read the entire chapter, friends. It is a hard read, and somewhat like looking into our current world. We stand in a very different time, and it can somewhat be compared to all the wicked things that the Kings of Judah and the Kings of Israel did, as we read through the list of the things that King Josiah brought down, defiled and burned, even scattering the ashes of it at Beth-El. And of course, it takes some understanding of what these practices were to truly be disgusted with them. Otherwise, it is just like one of those hard to pronounce names found in the book of Numbers. Then we gloss past it, in a lack of understanding.

The truth of today is rather more somber than even just this, as I learned yesterday of our government's plans to "moderate" the church. And to be honest, it would not surprise me if they succeeded in doing so, it is an earmark of the time we are living in. We are living in an era akin to when these wicked Kings like King Manasseh reigned in Judah. First the enemy went after the good teachings in the schools with the Bela Law, and now they are coming for the Christian church, where the government will regulate what is preached and who may preach, in an evil version of the good King Josiah did in this chapter. (You will have to read the rest of this chapter to understand)

I have not been silent on the matter that there will come a time when these notes will no longer be sent out widely to the places it was once sent. I knew that was coming, by a revelation of the LORD (which is one of the things I will not be permitted to say if this law comes into effect.) "GOD does not speak to people," they think. Furthermore, you would think that people will come

into revolt for such a thing, in a so-called Christian nation, but I get that it will be too little too late, as the Word of the LORD, by His prophets, states that in the last days this will be permitted. Wicked rulers over wicked people, as I search the horizon for all the ancient markers. "You are too negative," some will say. I remind you of how the Lord Jesus Christ said that it will be like the days of Noah, as people continue in their daily lives, thinking GOD will do neither good nor evil.

The same way as I have brought you these notes through the years, so I know that we have entered into an age much like those of the early church. And I have received my instructions regarding this time, when there will be a famine for the Word of GOD. And I do urge you to research these statements in the Word of GOD, to find them for yourself that the Word convinces you, not me. The next time this world is cleared up from its abominations before the Throne of GOD, it will be by our Lord and Saviour, King Jesus Christ.

How has the LORD prepared you for this time? What have you learned from Him, have you got oil for your lamps in the dark night when no man can work?

Today, the Generals of the US Military Forces assembled for their meeting. This is not widely known, though it should be. Summoned by something like a director of war, from the Pentagon (from the reports I have received.) "Nothing to see here," right? Or as they say, "it's a nothing-burger." "Conspiracy Theories" may be another term shouted out, "as the (reign) comes down and engulfs the people." Well, I remember the barometers that hung in the farmer's houses, showing them when rain is on the way, and today they depend on weather services that are more inaccurate than those old devices. Will mankind pay the price for their complacency? The noose is tightening around the neck, and the LORD sees all, and He takes note of the Names of those that repent before His Throne.

A little more sleep, a little more slumber; so, destruction comes in.

I have sounded the Alarm, GOD is my witness. I did make the Gospel of Jesus Christ known, but who would receive it, and I have not yet wiped the dust from my feet. I have been pleading, and I have wept bitterly for the souls of mankind. For that, it is not just GOD that is my witness, but many of you who have heard me speak the words of these notes in the audio versions.

Now, I give the alarm, the period has come, the season is here, and most will not realize the trouble that is coming until it breaks down the front door. The preparation has always been in the Spirit and in the Word. I hope you have gathered all you need. The Word says, do not fear. And I agree, do not fear if you know Jesus Christ, if you are known by the risen Christ Who is alive at the Throne of GOD, from where He will come to Judge the World. Then they will seek to hide themselves in the ground, asking mountains to fall on them to hide them from the wrath of the Lamb of GOD.

Consider this as my last message, even though I will make every attempt to give as much as I can for as long as I am permitted. A time of evil kings has now come in, as every border has

been flooded by immigrants, especially the borders of nations' security. The enemy is in the city, and for many, in the home.
